1970 Program of Field Trips

Only series subscribers to the Speakers Program may purchase tickets for the Field Trips, which are designed to complement the topics discussed and are held in the week following the discussion on a Tuesday or a Wednesday schedule. Tuesday subscribers will be assisted, to the extent possible, in exchanging tickets with Wednesday subscribers at the end of the Speakers Program preceding that tour; no other ticket exchange is provided. *A ticket must be presented for admission, and tours must be taken on the day for which the ticket is issued. There are no refunds on field trip tickets, and no replacement of lost tickets can be made.*

The price of each tour is \$7.00. Luncheon (gratuity included) is provided on all tours. Tours are limited by the capacity of the places to be visited; the limit is stated in the tour description. All tours (except Tour Five, see below) will depart from and return to the Downtown Center, 65 E. South Water Street. The tours operate on closely co-ordinated time schedules, and the departure of buses cannot be delayed for late-comers. Comfortable shoes are recommended. Since program arrangements must be made many months in advance, scheduled events may sometimes be subject to change.

IMPORTANT NOTICE TO SUBSCRIBERS: The *Know Your Chicago* Committee has been gratified by the great success of its annual series, but also much concerned about the growing number of subscribers who are unable to obtain tickets for the Program of Field Trips. Last year the Field Trips were entirely sold out three days after the tickets were placed on sale and almost one hundred subscribers had to be turned away. Because of the limited capacity of the Field Trips and the number of tickets that can be made available, The Committee has reluctantly decided to limit all Field Trip subscriptions to a maximum of four tours. This restriction, while it may disappoint many past subscribers, will make possible an increase of more than 30% in the number of renewing and new subscribers who can participate this year. It should also, to the same extent, increase the opportunity for each subscriber to obtain tickets to those tours he most prefers. *Please read carefully the new instructions on How to Order Tickets.*
