This series, now beginning its second decade, is sponsored by the Woman's College Board and University College of the University of Chicago in co-operation with the Chicago Association of Commerce and Industry, the Chicago Crime Commission, the Junior League of Chicago, the League of Women Voters, the Metropolitan Housing and Planning Council, and the Welfare Council of Metropolitan Chicago.

This year, the Know Your Chicago Committee is presenting a program which attempts to analyze our city in the light of achievements of great cities of the past. Four fundamental themes: politics, welfare, culture, and trade and industry will be developed historically with focus on the contemporary greatness of Chicago as an example of a vigorous, thriving American city.
