Lecture Series Admission, $7.50

Fellerman Hall, The Art Institute of Chicago  
Michigan Avenue and Adams Street

The field trips are designed to complement a particular lecture and are held in the week following that lecture. Registration is limited by the capacity of the places to be visited, which by special arrangement provided is not available to the general public. Tickets for the trips must be purchased only from lecture-series subscribers who may purchase one ticket to each of the five tours. The price of each tour is $5.00. Luncheon (gratuity included) is provided on all tours. Field trips are offered on a Tuesday or a Wednesday schedule. Subscribers do not have the option of mixing or combining these schedules; ticket orders should indicate the weekday preferred. It is important to show on the order blank whether the alternate date is acceptable if the weekday you prefer is sold out. To the extent possible, a Tuesday subscriber will be assisted in exchanging his tour ticket with a Wednesday subscriber at the time of the lecture preceding that tour. There are no refunds on field trip tickets, and no other ticket exchanges can be handled. Subscribers are particularly advised that no one will be admitted to any tour without a ticket, that all tours must be taken on the weekday for which the ticket is issued, and that no replacement of lost tour tickets can be made. All tours (except Four Tours, see below) will depart from and return to the Downtown Center, 65 E. South Water Street. Field trips operate on a closely coordinated time schedule, and the departure of buses cannot be delayed for late-comers. Comfortable shoes are recommended for all tours. Since program arrangements must be made many months in advance, scheduled events may sometimes be subject to change.
